Arnaud DYDUCK appointed as Operations Director in China

CTC, worldwide leader in quality assurance, consultancy and training for footwear, leather goods and glove industries, pursues its international development.

Arnaud DYDUCK has been appointed Director of China Operations (Shanghai, Dongguan and Hong Kong) as of 1 June 2010.

He has successfully led the development of CTC in Hong Kong during 8 years and thanks to his commitment and leadership CTC has become the leading accredited laboratory in China for physical testing and innocuousness tests for leather, shoes and CE marking for safety gloves.

Arnaud DYDUCK is a post graduate degree from ITECH, the Textile and Chemical Institute of Lyon (France) in footwear and leather goods.

In order to carry out his new mission, he will be assisted by:

- **Leo TOM**, in **Hong Kong**, who joined CTC in 2003. Leo TOM will become the General Manager of CTC Asia. Leo has just been awarded a Bachelor of Science degree in Industrial Quality Management with first-class honours from the Hong Kong Polytechnic University.
- **Hugues EMERAUD**, in **Shanghai**, who was the CTC Marketing Executive engineer for France and the USA, and who will become the Sales & Marketing Manager for China. Hugues is a graduate from ISEG Grenoble.
- **Antoine BARBAR**, in **Dongguan** (South China), Laboratory Manager, along with **Charlie ZHU**, Commercial Manager in China. Antoine is a graduate from the University of Lyon with a Master in Chemical Analysis and Control and Charlie holds an MBA from the IAE University of Lyon.

CTC is the Worldwide Leader in Quality Assurance, Consultancy and Training for Footwear and Leather Goods.
